Family 2 Family

Feilding New World, along with our community, donated a massive 175 bags of food to replenish our Food Bank. New World Feilding supports our Food Bank annually with their Family 2 Family appeal which is about giving from one family to another.

Thank you!

meat the need

Meat the Need is a charity that provides Kiwi's in need with access to quality red meat. They collaborate with New Zealand farmers who generously donate their livestock. Our support is part of a long-term commitment to positive change in our community. Manchester House Food Bank is lucky to have Meat the Need helping us fill our freezers. We are very thankful for their support.

Manchester House has a new hard working Team member..

Meet our new Truck.

We are very excited as, it will make food and other deliveries plus pick-ups so much easier. Thanks to Max for working hard to find the funding. Also many thanks to Kester for sourcing this vehicle and making the trip to Christchurch to pick it up. Your support is greatly appreciated.

Matariki is a special occasion in the New Zealand calendar which marks the start of the Māori New Year. Signified by the Matariki cluster of stars reappearing in our night sky, this is a time to reflect on the past year, celebrate the present, and plan for the year ahead. We are lucky to now have this as a Public holiday. Spend time with your Friends & Whanau or give yourself some self love and reflection .
